Effective date	28 September 2020
Date completed	4 November 2020

Wellbeing of staff and customers

Exclude staff, visitors and customers who are unwell.

Yes

Provide staff with information and training on COVID-19, including when to get tested, physical distancing, wearing masks, and cleaning.

Yes

Make staff aware of their leave entitlements if they are sick or required to self-isolate.

Yes

Display conditions of entry for any customers or visitors (website, social media, entry points).

Yes

Physical distancing

There are a number of businesses where there are restrictions on patron numbers and the space required to have that number of people; check if there are any restrictions on your business by visiting the NSW Government website.

If your business does not have any restrictions, consider what measures could be put in place to avoid crowding and support social distancing, good hand hygiene, and mask wearing where practicable and appropriate to the setting.

Yes

Assign workers to specific work stations and minimise worker movement between these stations, where reasonably practical. If not practical, clean with detergent and disinfectant between use.

Yes

Put plans and systems in place to monitor and control the numbers of workers and customers on site at any given time to allow for physical distancing.

Yes

Use flexible working arrangements where possible, such as working from home, or early and late shifts to reduce peak periods.

Yes

Consider barriers or other controls to ensure staff and visitors at interaction points stay at a safe distance or are separated by a barrier such as a sneeze guard at a

service counter. If not practical, clean regularly with detergent/disinfectant.

Yes

Where reasonably practical, ensure staff maintain 1.5 metres physical distancing at all times (including at meal breaks). If staff are not able to physically distance, or work in a role with significant public interaction, strongly recommend they wear a face mask if practical.

Yes

Use telephone or video for essential meetings where practical.

Yes

Review regular deliveries and request contactless delivery and invoicing where practical.

Yes

Consider signage near crowding points such as lifts and passenger travelators directing customers and workers to maintain 1.5 metres physical distancing wherever practical.

Yes

If staff or workers need to travel together in the same vehicle:

- **encourage passengers and drivers to spread out, using front and back seats**
- **workers should only handle their own tools and bags where possible**
- **have processes to clean the vehicle hand touch areas at the end of each shift with a detergent/disinfectant**
- **encourage workers to set the air-conditioning to external airflow rather than recirculation or open windows.**

Yes

Have strategies in place to manage gatherings that may occur immediately outside the premises, or in meeting or break rooms.

Yes

Hygiene and cleaning

Provide hand sanitiser at multiple locations throughout the workplace.

Yes

Provide detergent/disinfectant surface wipes to clean workstations and equipment such as monitor, phone, keyboard and mouse.

Yes

Ensure bathrooms are well stocked with hand soap and paper towels or hand dryers,, and have posters with instructions on how to wash hands.

Yes

Clean frequently used areas at least daily with detergent and disinfectant. Clean frequently touched areas and surfaces several times per day.

Yes

Maintain disinfectant solutions at an appropriate strength and use in accordance with the manufacturer's instructions.

Yes

Staff should wash hands thoroughly with soap and water before and after cleaning.

Yes

Record keeping

Keep a name and contact number for all staff, visitors and contractors for a period of at least 28 days. Where possible, personal details should be collected in a way that protects it from disclosure to other customers. Records are only to be used for tracing COVID-19 infections and must be stored confidentially and securely. QR Code sign-in is encouraged.

Yes

Employers should make staff aware of the COVIDSafe app and the benefits of the app to support contact tracing if required.

Yes

Workplaces should consider registering their business through nsw.gov.au

Yes

Cooperate with NSW Health if contacted in relation to a positive case of COVID-19 at your workplace, and notify SafeWork NSW on 13 10 50.

Yes

I agree to keep a copy of this COVID-19 Safety Plan at the business premises

Yes
